Revision and Final Exams

Success!! Leaving with great results having succeeded in trying your best.

Students should leave with the ability to apply geographical Skills to their everyday life.

Here at Hurstmere we would like to see our geography students :

On a global scale-

- To have knowledge and processes of how the world is shaped.
- To become global citizens
- To have awe and wonder of the world
- To understand sustainability and the future of the world
- To have cultural awareness and diversity.

On a national scale-

- To have knowledge and processes of how the UK is shaped.
- To have cultural understanding of the people of the UK.
- To have historical understanding of the shape and make up of the UK.
